देवत्व की ओर महाप्रयाण...

भारतीय संस्कृति, संस्कार, स्वभाव, सभ्यता, शालीनता, सौहार्द, सुचरित्रता, सुशिक्षा रूपी फूलों के गुलदस्ते से विश्व धरा पर शोभायमान है। वर्तमान भौतिकवादी दुनिया में भी ऐसे पुष्प अपनी खुशबू से भारत की शोभा बढ़ा रहे हैं। भारत की भूमि ही ऐसी है जो मनुष्यत्व से देवत्व की ओर प्रयाण करने की शिक्षा देती है। भारत की भूमि अनेक दैवी आत्माओं के जीवन सुषमा की परिचायक भूमि है। हमें उन आत्माओं के करीब होने पर एक विशेष आभा का अनुभव होता है।

शास्त्रों में ऐसी अनेक कथायें हैं कि गाय की पूंछ पकड़कर चलने मात्र से विषय-वैतरणी नदी को पार कर जाते हैं। हैं तो यह भी एक कथा ही, परन्तु यह कथा भी कभी-कभी जीवंत स्वरूप पकड़ लेती है। जब हमारे दिल के नजदीक की कोई आत्मा हमसे अचानक दूर हो जाती है तो मन उसके इन गुणों को याद करते थकता नहीं है। बार-बार मनोभाव उस ओर मुड़ जाते हैं। दिखने में सरल लेकिन उनका सान्निध्य हमारे लिए अथाह शक्तियों का पुंज बन जाता है। हम जिन्हें देवी-देवता मानने लगते हैं। ऐसी ही असीम स्नेह की सागर, शालीनता से भरपूर, सरलता की देवी हमारी राजयोगिनी सरला दीदी जी के महाप्रयाण की यात्रा के हम साक्षी हैं। जीवनभर जिन्होंने अपने दैवी महान व्यक्तित्व से ब्रह्मावत्सों के दिल को जीता है। हमारे लिए पूज्यनीय है। लौकिक जीवन में भी शिक्षक के रूप में छात्रों का भविष्य संवारती रही तो अलौकिक रूप से भी ब्रह्मावत्सों के जीवन का आदर्श बनीं। न्यारी, प्यारी, निर्माण, सरलचित्त, ऐसी सरला दीदी का परिचय मुझे गुजरात की भूमि में कदम रखते ही हुआ और अधिक मेरे लौकिक परिवार को भी पालना देने के निमित्त बनीं। जब मेरी बेटियां यज्ञ में समर्पित हुईं तब उन्हें भी मातृ वत्सल स्नेह देती रहीं।

सरला दीदी मेरी ही नहीं मेरे बच्चों की एक स्नेह वत्सल शिक्षक भी बनीं। उन्हें मार्गदर्शन देती रहीं। समय-समय पर पालना देती रहीं। उनका जीवन हमने करीब से देखा है। जब मुरली क्लास कराती थीं तो मीठी मम्मा की तरह प्यार से मुरली सुनाती थीं। उनसे मिलने के लिए जो भी भाई-बहन आते थे, भोजन कराना कभी भूली नहीं। बाबा के भण्डारे से भोजन प्रसाद अवश्य ग्रहण करके जाते थे। किसी से कभी कुछ मांगा नहीं बस दाता की तरह दिया ही है। गुजरात की फूलवारी को प्रसन्न रखना, एकता से रखना, छोटे-बड़े सबकी पालना करना, उनका निजी स्वभाव रहा है। सदा 'हाँजी' का पाठ पक्का कराया। यज्ञ सेवा में बड़ी दीदी के एक इशारे पर खड़ी होती थीं।

सरला दीदी को 'गुजरात गौरव' जैसे अनेक लौकिक, प्रशासनिक अवार्ड प्राप्त हुए हैं। समाज के सभी वर्ग की, क्षेत्र की सेवायें आपने की हैं। यही नहीं, देश-विदेश में भी बड़े-बड़े वीआईपीज की सेवायें आपने की हैं। आपकी सेवाओं को स्मरण करें तो लम्बी कतार है। एक से बढ़कर एक विशेषता आपकी पथ-पथ पर दृष्टिगत होती थी, हम दिग्मूढ़ थे जब अचानक सरला दीदी ने इस देह का त्याग किया तब मन स्वीकार नहीं कर पा रहा था कि आत्मा ने शरीर त्याग दिया है। जब उनके लिए नेशनल-इंटरनेशनल मीडिया और स्थानिक समाचार पत्रों में छपा तो समझ में आया कि एक आत्मा कितनी तीव्र गति से सेवा कर सकती है। यह असाधारण आत्मा थीं। उनके श्रद्धांजलि कार्यक्रम में गुजरात और देश-विदेश के कई बड़े-बड़े साधु-संत, राजनेता, शिक्षाविद्, व्यापारी, अधिकारी, डॉक्टर, इंजीनियर आये और सरला दीदी के साथ के अपने अनुभव एवं विचार प्रस्तुत किए। यहाँ उन सबका अनुभव नहीं लिख सकता।

गीता मंदिर के महात्मा अध्यात्मानंद जी ने श्रद्धासुमन अर्पण करते हुए कहा कि जैसे सुभद्रा अपने भाई कृष्ण को रखी बांधना कभी नहीं भूलीं, वैसे सरला दीदी भी मुझे कहीं भी, कैसी भी परिस्थिति हो राखी अवश्य बांधती थी। मेरे लिए दीदी सुभद्रा के समान है। अहमदाबाद के मेयर बीजल पटेल ने भाव-विभोर होकर दीदी के साथ के अनुभव सुनाते हुए कहा कि अंतर्राष्ट्रीय महिला दिवस पर दीदी के साथ स्टेज पर बैठी थी तो पवित्रता और शांति के इतने सुंदर वायब्रेशन मुझे मिले कि मैंने भी दिव्यता का अनुभव किया। इस प्रकार के अनगिनत अनुभव सरला दीदी के सान्निध्य में लोगों ने किए। यज्ञ स्नेही दीदी को दादी जानकी जी एवं यज्ञ के सभी वरिष्ठ भ्राताओं से स्नेह, सम्मान मिला। अपने जीवन से सदैव परमात्म प्यार और स्नेह से सबकी झोली भरने वाली राजयोगिनी सरला दीदी के महाप्रयाण पर लाखों लोगों ने कोटि कोटि श्रद्धासुमन अर्पित किए। आज भी आसमान की तरफ दृष्टि जाती है तो बादलों में दीदी का वही मुस्कराता दिव्य चेहरा उनकी दिव्यता की झलक दिखाता हुआ नजर आता है। देवत्व की ओर उनका यह महाप्रयाण हमेशा हम सभी को उनकी बेहद सेवाओं की याद दिलाता रहेगा। हम सभी को जगाता रहेगा। **आदरणीय दीदी जी को शत शत नमन...**

University and College Educators' Conference on Values & Spirituality for Overcoming Challenges

Prof. BK Ved Guliani,
Hisar

Education is supposed to arouse curiosity which in turn inculcates the skill of thinking for one's own self in varied situations of life without any prop or support. If the knowledge that one receives in the classrooms does not turn into learning and experience, one is not likely to gain wisdom and courage to face problems. But with this concept of education being set aside by the so-called modern institutions of education, we find our daily life cluttered with all sorts of problems, difficulties, obstacles and challenges.

Hence the common saying that we are living in an age of challenges and each one of us is just moving from one challenge to the other and hopping from one obstacle to the other. And at the end of the day we often feel that most of our life has gone in just managing the challenges and achieving little and even that may not have been to our satisfaction.

The **University and College Educators' Conference on Values and Spirituality for Overcoming Challenges** held at Gyan Sarovar from 17th to 21st May, 2019, aimed to focus on this aspect of our education. Apart from the usual **Reception, Inaugural, Experience and Valedictory Sessions**, this

conference had **3 Talks, 5 Sessions to elaborate aspects of discussion and 8 simultaneous workshops**. The topics discussed in this conference were arranged in the manner of the steps of a ladder or the links in a chain as it followed a specific sequence of issues.

In our practical life, when we are faced with a challenge, the most essential is to first **'De-clutter' the mind** i.e. we should remove from our mind all the irrelevant and redundant. That leads to a state of mind that is peaceful and prepared to take the challenge. Then comes the need for selecting and applying the specific thoughts, the aspect that was discussed and elaborated in the session on **Unique concept of Rajyoga Thought Lab**.

You will all agree that once we can control and direct our thoughts in a positive direction, then we attain an **Inner Stability for Challenging Times** and for that we also need to integrate our human values in the system of education to claim excellence. This aspect was discussed in the session devoted to **'Integration of Value Education for Academic Excellence'**, which helps the society to raise the strong **'Pillars of Education'** and by also **'Exploring Inner Power'** which were the themes of talk sessions in the conference.

With such background and preparation one is sure to follow a '**Spiritual Life-Style for Facing Challenges**' which in a way is an answer to the challenges. Spirituality in one's life is sure to inculcate a temperament that makes some wholesome changes in one's approach to life and its issues. This also allows one to rise above the personal and individual and apply the spiritual solutions to the surroundings also, the topic of session '**Ecology and Spirituality**'.

This prepares for us all a new model of education that would be suitable to the new enlightened society, which has been made the theme of the valedictory session '**Education for an Enlightened Society.**' What the organisers of this conference aimed at is that the challenges faced by us in life or in education are not isolated issues to be tackled and settled at random but they need to be taken on systematically and as long-term questions of life as a whole.

One major highlight of the conference were the **8 simultaneous sessions of workshop** each dedicated to a different human value. The values taken up in these workshops included Determination, Discipline, Courage, Responsibility, Respect, Curiosity, Wisdom and Creativity. These workshops focused on reflection and vision of oneself as an ideal educator apart from the other features. The participants in all these workshops were quite enthusiastic and creative.

On the morning of the 19th May, a meeting of the VCs, Directors and some other dignitaries was held with Rajyogi Dr. BK Mruthyunjaya Ji and other organisers of the conference. The purpose was to probe the possibilities of introducing spiritual education in other educational fields and regions. Some good suggestions like the 'Society Connect' project to involve youth in inculcating spiritual values in the society were made while some apprehensions were also expressed on account of private management upholding their specific interests.

Participants and the speakers in this conference were the intellectual elite of the society and also the Rajyoga practioners of the Brahma Kumaris and Vice-Chancellors, Registrars, Directors, Professors and other dignitaries associated with education. Some notable comments made by these learned speakers are quoted below. I may point out here that each of these quotes highlights one or the other factor in the process of meeting challenges :-

The Conference concluded with an expressed determination of the participants and the organisers that each one of us will dedicatedly devote ourselves to the proper education and up-bringing of our coming generations. Teaching should not be treated as a paid

profession like any other job in the society, but it is a passion and mission of maintaining and strengthening the cultural values and spiritual approach to the aim and objective of our life.

Green India - Clean India

A huge Tree plantation project named “**Green India – Clean India**” has been initiated under the supervision and direction of the Education Wing of the Brahma Kumaris. This project will continue from July 10 to September 30, 2019, and aims at planting at least 2,00,000 trees annually across various locations in India. This project shall culminate on Sept. 30, 2019 at the Shantivan, Abu Road (Raj), the International HQs. of the Brahma Kumaris.

The mindless exploitation of natural resources by mankind has imperiled the existence of the planet. Rising pollution, mounting filth, dirty rivers, restless oceans and melting glaciers, all these are just due to human insensitivity and thoughtlessness. An obsession with industrial progress has caused man to lose sight of the tenuous ecological balance. The consequences of mindless deforestation are clear now. Today, the earth hangs by a thread. Tree plantation and the use of alternative sources of energy are some of the many measures that one can take to reduce the effects of climate change. Tree plantation is a harbinger of prosperity. Trees eliminate the pollution and are beneficial for the health, too. Trees are central to human culture and

environment in our universe. There is only one way left to come out of the dangers and challenges to the environment on earth and that is the maximum plantation of trees. Hence, Brahma Kumaris has taken up this plantation drive.

This campaign plans to enable people to become aware of the environmental issues that plague the earth. Also, as a spiritual organisation, our main aim is to help people to experience greater well-being through inner peace and universal values. The Brahma Kumaris will conduct programmes to explore the connection between the consciousness of the individual and the collective effect on the state of the planet. Our consciousness determines the values by which we live. Our values form the basis of our actions which in turn determine whether or not they contribute to the protection and sustainability of the environment. In addition, the campaign aims to plant diverse varieties of saplings with contribution from people in schools and colleges, community groups, businesses and governments. The idea is to get people to participate in educating their neighborhood about benefits of having a clean and green surrounding.

Dr. BK Mruthyunjaya felicitating Hon'ble Shri Arjun Ram Meghwal Ji, Union Minister of State for Water Resources, River Development & Ganga Rejuvenation and Parliamentary Affairs with flowers and Godly gift.

BK Leena & BK Nathmal giving Godly Gift to His Excellency Professor Ganeshi Lal ji, Governor of Odisha .

बच्चे नये भारत के निर्माण का सूत्रधार है 40वाँ अखिल भारतीय बाल व्यक्तित्व विकास शिविर

डॉ. ब्र.कु. ममता
अहमदाबाद

बच्चे इस देश के भविष्य हैं। इसलिए माता-पिता अपने बच्चों को अच्छे संस्कारों से संवारने का प्रयास करना चाहिए। माता-पिता के साथ शिक्षकों को भी संस्कारों के प्रति सजग होना चाहिए। उक्त विचार ब्रह्माकुमारी संस्था की संयुक्त मुख्य प्रशासिका डॉ. दादी रतन मोहिनी जी ने व्यक्त किए। वे ब्रह्माकुमारी संस्था के शिक्षा प्रभाग द्वारा दिनांक 22 से 28 मई, 2019 तक आयोजित 40वें अखिल भारतीय बाल व्यक्तित्व विकास शिविर में आये हजारों बच्चों को सम्बोधित कर रही थीं।

ब्रह्माकुमारी संस्था के महासचिव ब्र.कु. निर्वैर ने कहा कि बच्चों का भविष्य बाल्यकाल से ही संवारना प्रारम्भ करना चाहिए। क्योंकि बच्चे नये भारत के निर्माण का सूत्रधार है। बचपन में बच्चों का मन बिल्कुल साफ होता है। उस पर जो लिखा जाता है वह छप जाता है। राजयोगिनी दादी ईशू जी ने कहा कि मैं आप बच्चों जैसी उम्र में ही इस संस्था में आई और अपने प्यारे परमपिता को पहचाना और उनके निर्देशन में ही पली-बढ़ी।

शिक्षा प्रभाग के अध्यक्ष डॉ. ब्र.कु. मृत्युंजय ने कहा कि पिछले 40 वर्ष से बच्चों के लिए यह कार्यक्रम आयोजित हो रहा है जिसमें बड़ी संख्या में बच्चों का जीवन बदला है और वे समाज की दिशा व दशा को बदलने में कार्यरत हैं। शिक्षा प्रभाग की उपाध्यक्ष ब्र.कु. शीलू, प्रो. ब्र.कु. वेद गुल्यानी, डॉ. ब्र.कु. ममता, ब्र.कु. पदमा सहित अनेक वरिष्ठ भाई-बहनों ने भी अपने विचार व्यक्त किए।

शिविर में बच्चों ने विभिन्न प्रकार की कलायें सीखीं। साथ ही जीवन में नैतिक मूल्यों की धारणा के प्रति उनका मार्गदर्शन किया गया। बच्चों को
